

Tired of Facebook? Too wordy for Twitter? Connect the old fashion way by getting involved in your community.

The Young Leadership Division (YLD) is looking for board members and volunteers to help out with its year-round activities and the 2009 United Jewish Appeal (UJA) campaign.

YLD aims to connect young Jews (ages 25 to 45) to the community through philanthropic, volunteer and social opportunities. Last year, YLD hosted Shabbat dinners, gathered for a great night of music at Big Rock, stuffed Purim packages for families, sipped wine at J-Webb, and helped our community “live generously” by raising more money than ever before from a growing number of donors.

YLD needs your help and is looking for the following positions:

Board Members:

- **YLD Board Members (General):** Meeting monthly, the YLD board of 8 to 10 members helps to provide strategic direction for YLD, and plan and participate in community events.
- **UJA - YLD Campaign Co-Chair:** UJA is the second largest philanthropic organization in North America next to United Way. Calgary's campaign raises more than \$2.5 million and is responsible for funding the institutions that are essential to a vibrant Jewish community and other worthy causes in Calgary, Israel and around the world. The campaign co-chair works with the UJA Executive Committee and leads a team of committed volunteers to set targets and achieve them.

Volunteers:

- **UJA – YLD Event Planners:** Help plan the biggest kick off to the YLD-UJA campaign in recent history. Be part of the team planning a huge celebration in Fall 2009 to celebrate what promises to be our best campaign year ever.
- **UJA – YLD Campaign Canvasser:** To do this job is to do a mitzvah. YLD canvassers reach out to the community to talk about the important work being done and ask for support. Last year, YLD had 40 canvassers rise to this challenge.

We know you're busy, and the time commitment is what you're able to give.
